

Global Diversity & Inclusion Consultant

Global Management Solutions

About Us

At Global Management Solutions, we believe that diversity is the key to global success. Our work helps businesses create inclusive cultures, navigate international business environments, and develop policies that respect and celebrate diversity.

We are looking for postgraduates who are passionate about diversity, inclusion, and global business practices.

What You'll Do

As a **Global Diversity & Inclusion Consultant**, you will:

Develop international diversity strategies – Support businesses in creating inclusive policies for their global teams.

Research cultural diversity in business – Analyse the impact of diversity on international workforces.

Advise on inclusive business practices – Help organizations build equitable workplaces across different cultures.

Conduct training on cultural awareness – Assist in delivering workshops and learning sessions.

Collaborate with HR & leadership teams – Support decision-making on diversity-related initiatives.

Assess global hiring & workplace policies – Ensure compliance with international diversity standards.

What We're Looking For

- ✓ **Strong understanding of diversity & inclusion principles** – Interest in global workplace culture.
- ✓ **Cross-cultural awareness & sensitivity** – Ability to navigate and respect different cultural norms.
- ✓ **Excellent communication skills** – Ability to present ideas and collaborate with international teams.
- ✓ **Analytical & problem-solving mindset** – Capacity to assess diversity challenges and propose solutions.
- ✓ **Proficiency in multiple languages** (desirable but not required).

What We Offer

Real-world experience in global diversity consulting – Work on projects that impact international workplaces.

Networking & mentorship – Learn from industry leaders in diversity and inclusion.

Training & career progression – Structured learning opportunities in corporate diversity strategy.

Opportunities for international collaboration – Work with multinational teams and organizations.
